Stacey & Alec // Daffodil Waves

JULY 23, 2010 | INSPIRATION, PHOTOGRAPHY, REAL WEDDINGS, WEDDING INSPIRATION

We have a few digital crushes this week... and someone who has stolen our little wizened hearts this week is [Nicola of Daffodil Waves](#)(we love that name). Her work is super fantastic and she is up and coming but if we are the judges then she ought to be there. We love her contemporary vintage style, and there is a lovely mix of old school retro colouring – but then she has the magic modern photography eye. These delicious images are from the wedding of Stacey and Alec, a sweetly intimate ceremony which Nicola has captured perfectly.

The ceremony was held in Cheylesmore Manor House; and you can see from the interior that it is historic venue gorgeousness.

So, happy marriage wishes to the lovely Stacey and Alec; and a super salute the very talented Nicola of Daffodil Waves (she is ace and we expect big things from her!). Please check out the [Daffodil Waves](#) website as there is a very sumptuous, very cool, very fantastic Twiggy inspired shoot on her site at the mo. Shutter candy abundance start right about now!

Beyond Beyond is a bespoke invitation company based in London Town and is the work of me Amma Adjubi, also known as Ams, Jujubee, or Adjubi. Not only do I like making gorgeous and individual invitations I also like everything wedding, design and baby related (as long as [more...](#))
