## a boho tipi tent engagement ~ jade and anthony

August 27, 2010 | [Engagement Shoot](#)

Today's **engagement** session is nothing short of fabulous!! So full of love and creativity. I adore this unusual backdrop. How gorgeous and boho are this couple? Not to mention such gorgeous photography by the lovely Nicola at [Daffodil Waves](#) {thanks so much Nicola}, this is what she had to say about the shoot;

*"I was very fortunate to spend the day shooting an **Engagement shoot** with the beautiful Jade and Anthony at a very unique location. The Tipi Adventure in Hereford was gorgeous and even though the weather wasn't that great we still had a lovely day. We just shot inside the tipi when it rained!"*

Enjoy.....
